

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

In 1920 William Rogers moved to Peterborough opening a saddle, harness and collar making business in Main Street. He was a keen golfer who had helped form an unofficial nine-hole golf course on the racecourse. Keen interest was shown in the game, and a permanent site was sourced.

1922

In 1922 Mr Rohde leased land to the newly formed Peterborough Golf Club and the course was built on the northern side of Peterborough adjacent to Jubilee Park. The first official match was held against Orroroo on Saturday 22nd July which Orroroo won 1007 strokes to 1029 strokes.

Having been baptised by spasmodic showers for some weeks past, the local golf links underwent their official christening on Saturday last, when in good golfing weather a team from Orroroo visited **Peterborough** to try conclusions with our members.

As the cards show, **Peterborough** has no reason to be ashamed of its performance, as although Orroroo's best team did not make the trip, it must be remembered that the majority of the local players are yet very new to the game.

Our course is not yet perfect there being still much work to be done, clearing stones, and our "scrapes" provided a change for the visitors, they finding them very fast after their sandy ones. All were however impressed with the possibility of making this course one of the best of country links.

The result was in doubt until the last cards were handed in, as it will be seen that several of our members finished "up," Orroroo however, finished 1007 strokes on the day.

Cards:—

Hughes 116 v. Chinner 116 all sq.
Hennessy 128 v. Page 119 9 up
Gray 124 v. Hoile 143 19 down
Dowling 111 v. Clair 114 3 down
McGlashan 106 v. Rogers 96 10 up.
Addison 129 v. Jessup 140 11 dwn
Field 96 v. Burke 113 (16 holes only) 17 down
Judell 140 v. Ham 129 11 up
Sweeney 57 v. Clarke 59 (9 holes only) 2 down.

Orroroo 1007 strokes
gh 1029 strokes

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

The 1924 A.G.M. of the Golf Club was held on Monday 18th February in the Lodge Room, Town Hall. Mr E. Ralph Johnson (the previous chairman) was elected president. It was suggested that a constitution be drawn up to govern the club.

There were a few things to be done in the clubhouse to provide a little more comfort for the ladies and a truckload of ore had been received from the Port Pirie Golf Club for the use on the greens, at no cost beyond freight and handling. A further two truckloads were to be delivered.

Walter M Bills won the 1924 club handicap trophy with a net score of 137 with rounds of 87 and 78.

His Worship the Mayor was unanimously elected to the position of patron, and Mr. E. Ralph Johnson as president; vice-president, Mr. J. Cattle; captain, Mr. W. H. Brown; vice-captain, Mr. J. W. Clair; secretary and treasurer, Mr. E. W. Brandt; management committee, captain, vice-captain, secretary, and Messrs. H. J. Porter, Geo. Johnston, W. Bills, L. J. Bills and E. L. J. Ham; auditors, Messrs. A. E. Rowe and J. Howard; handicap and selection committee, the captain, vice-captain, secretary, and Messrs. W. Rogers and W. Bills.

Mr. J. Cattle moved and Mr. C. Hoile seconded, that a constitution be drawn up to govern the club, with the suggestion that the constitutions of older clubs be obtained for guidance. Carried.

*The Times and Northern Advertiser
Friday 22 February 1924*

Last Saturday week the Peterborough Club concluded their annual handicap club trophy at the links, Peterborough. The play extended over three Saturdays, and the best two day's play was considered when counting up the scores. Mr. W. M. Bills, with a handicap of 14, won the competition with a net score of 137. His last two days' play yielded 87 and 78 respectively. Mr. Geo. Johnston was second with 85 and 84, and a handicap of 14. For the golf stick, presented by Mr. J. W. Clair, for the best eclectic round, Mr. W. Bills was again successful with a score of 33, which is very good indeed. In the ladies' competition Mrs. Geo. Johnston was successful with a net score of 70, Mrs. H. Brown being second with 76 net. The detailed scores, with the best two days' scores, are as follows:—

Gentlemen.	Two best scores.	Hcp.	Net score.
J. W. Clair	76 & 88	6	159
E. W. Brandt	91 & 92	10	163
C. H. Chinner	93 & 94	10	159
H. Brown	87 & 91	14	150
W. H. Bills	87 & 78	14	137
Geo. Johnston	85 & 84	14	141
F. R. Johnson	93 & 88	14	153
S. A. Jamieson	94 & 93	14	159
H. Luck	90 & 84	15	144
E. Bills	90 & 98	16	165
M. Chadwick	94 & 85	16	147
E. L. J. Ham	95 & 102	18	161
E. B. Potter	94 & 94	22	144
A. Ledger	99 & 103	18	160
J. Hawkes	93 & 89	15	152
H. Porter	101 & 104	25	153
M. Cope	103 & 111	25	163
F. Moten	95 & 93	18	152
P. Lengnich	100 & 87	22	143
P. Sullivan	106 & 99	25	155
Ladies.			
Miss Koch	56 & 55	10	91
Miss A. Hill	59 & 54	13	84
Mrs. Brown	46 & 54	12	76
Miss Schoff	57 & 55	15	82
Mrs. L. Bills	59 & 71	16	108
Miss Sherlock	67 & 59	18	99
Mrs. Geo. Johnston	57 & 51	19	70
Miss Snell	77 & 72	24	101
Miss Thompson	77 & 80	25	107

Although the Golf Ball reported in this issue is supposed to mark the close of the golfing season, there is something about the royal and ancient game that prevents its followers ever knowing when they have had enough, and a match was arranged on the local links for Saturday last, with Jamestown enthusiasts. Teams of men and others of lady players fought out their matches, and Peterborough players proved too much for their opponents. Mr. J. W. Clair was the top dog for the local team, and was matched with the Jamestown champion, Mr. N. Martin, who after a most interesting and close catch just got home a winner by two holes.

Cecil Starr was the only other Jamestown representative to "land the mustard," beating Mr. H. C. Luck, 6 up and 5 to go, otherwise all the Jamestown men met defeat, or at least could not win. Mr. H. W. Brown finished all square with Mr. Wells after a good match, but Messrs E. Brandt, W. M. Bills, E. R. Johnson, Geo. Johnston, S. A. Jamieson and J. S. Hawkes each scored a victory. Detailed scores are not available.

The ladies had a day out for once, with the exception of Mrs. Brown, who was matched with Miss Naismith, the latter proving too good on the day, all the Peterborough ladies scored a win.

Further details are not available, as members have grown somewhat lax in handing in cards. The secretary cannot be expected to have scores available for the press unless cards are handed in or placed in the box, after matches. This applies to all members.

Next Saturday (to-morrow) a team of golfers of both sexes visits Jamestown for a return match.

*The Times and Northern Advertiser

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

1925

The Peterborough Golf Club held their A.G.M. on Wednesday 18th February 1925, with 40 members present. Mr E. Ralph Johnson was again elected president. Mrs G. Johnston was elected the first ladies secretary. Mr E. W. Brandt (secretary) was presented with a golf bag as a slight token of the members appreciation and good will for all the good work that had been carried out by him. Fees were set at gents joining fee 21/, subscription 21/, and ladies 5/.

1926

The A.G.M. of the Golf Club was held on Wednesday 17th February 1926. There were now 47 members and 37 ladies playing golf in Peterborough.

The season opened on 25th March. Watched by a large crowd the Mayor (Mr W.C. Reed) drove the first ball. Players who were making the trip to Broken Hill on Good Friday were asked to put their name forward.

Junior members were admitted for the first time. Membership was limited to children of members of the club.

The ladies handicaps for the start of season 1926 were:

LADIES' CLUB HANDICAP. (9 hole).			
	Stroke.	Bogey	
	Stroke.	Bogey	
Mrs. Brown	5	4	
Miss. Keck	5	4	
Mrs. A. Hill	5	4	
Mrs. B. Both	8	6	
Mrs. Geo. Johnstone	8	6	
Mrs. H. E. Rusk	8	6	
Miss. Sheerlock	10	8	
Miss. Darnody	10	8	
Mrs. E. Bills	12	9	
Mrs. S. Hunt	12	9	
Mrs. Church	14	11	
Mrs. Sawers	14	11	
Miss. B. Reed	14	11	
Mrs. L. J. Bills	15	11	
Mrs. W. M. Bills	16	12	
Mrs. Jamieson	16	12	
Miss. L. Snell	16	12	
Miss. M. Murphy	16	12	
Miss. M. Yeomans	16	12	
Miss. D. Meadows	16	12	
Miss. J. Ross	16	12	

The Times and Northern Advertiser
Friday 19 March 1926

Season 1926 has commenced. The annual meeting of members was held on Wednesday 17 inst. and was quite an enthusiastic affair. The following officers were elected, Patron, His Worship the Mayor, Mr. W. C. Reed: President, Mr. E. R. Johnson, (re-elected); Vice-President, Mr. A. E. Rowe, (re-elected); Secretary, Mr. F. D. Moten, (re-elected) Captain, Mr. C. H. Chinner; Vice Captain, Mr. J. W. Clair: Management Committee, Officers above, with Messrs. S. A. Jamieson, H. C. Luck, W. M. Bills, W. H. Brown and P. Lengnick. Ladies Secretary, Mrs. Geo. Johnston, (re-elected).

The financial statement was presented, duly audited and adopted, showing a credit balance at the close of season 1925.

The President, during the course of the meeting on behalf of the members, placed on record their appreciation of the work done for the Club by Mr. F. D. Moten (Secretary) and Mrs. Geo. Johnston, (Ladies Secretary), thanking these for their loyal efforts for the good of the Club. The Constitution as recommended by the retiring Committee, was unanimously adopted, and much detailed business was put through.

Members are looking forward to a good prosperous season, with keen competition looming ahead. Members are reminded that the trip to Broken Hill at Easter time is being arranged, since the Club has received an intimation that the Hill players are expecting our team, and have invested in a new Club House in honor of the visit. The team will leave here by express the night before Good Friday, and return in the "wee sma' hours" of the Tuesday morning following Easter Monday. Those members wishing to make the trip, either from a social or a golfers' point of view should, as early as possible, acquaint the secretary, or some officer of the club, so that hotel accommodation may be arranged.

The work of putting the links in order for the year will be proceeded with forthwith, so that as soon as the weather cools off, or breaks with rain, play will commence in earnest.

The Times and Northern Advertiser
Friday 26 February 1926

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

The club had decided to hold a competition, subject to approval of the golf association named the Amateur Championship of the North East.

They purchased an office that had been used by Duplex Builders to use as the Clubhouse for the championships. The building was taken in one piece to the links.

The North Eastern Amateur Championship was held at the Peterborough Golf Club on Saturday 21st August and was won by F. McGuiness from Broken Hill with rounds of 82 and 75 for 157 off the stick. Mr E. Sawers from Peterborough was handicap winner with a 71 net for his afternoon round. The ladies took charge of the Clubhouse for the catering.

1927

At the AGM held on Wednesday 23rd February Mr ER Johnson was elected president, JW Clair vice president, Mr LJ Bills captain, Mr CH Chinner, secretary and Mr FD Moten, assistant secretary.

Extensive work had been carried out at the Golf Club with the links being renovated for play, the greens improved and the old club house floored for use as a kitchen. The new clubhouse was the building purchased last year from Duplex Builders which was to be enlarged later in the season. The 1927 season of the Peterborough Golf Club commenced on Saturday 2nd April and the Mayor Mr E. Hoile declared the season open and drove the first ball. Beginners were taken in hand and given some instruction before being paired with a player for the mixed foursomes. Afternoon tea was served by the ladies and a bridge evening in the Town Hall Lodge Room followed. A presentation was given to Mr and Mrs Cyril Chinner (Captain) as they were leaving the district. The loss of Mr Chinner would be a severe one as he had rendered valuable service to the club. Many other members had also left the town.

The new club house was completed by the beginning of May and was soon to be painted. The club was taking steps to have a telephone installed.

Due to the game of golf becoming very popular it was decided to transform the course from 9 holes to 18.

The Management Committee have also decided to hold a competition, subject to the approval of the Golf Association, for the "Amateur Championship of the North-East," probably on Saturday, August 21st.

This will be an all-day match of 36 holes stroke play, and valuable trophies are being awarded for this and for the Handicap and Teams' Matches, each of 18 holes stroke play, which will take place in the afternoon of the day fixed.

It is anticipated that a good local entry will be received, and that good support will be forthcoming from neighbouring clubs to make this initial championship meeting a success.

The Times and Northern Advertiser
Friday 28 March 1926

Peterborough Golf Club

The 1926 season of the Peterborough Golf Club was the most successful in the history of the club.

Outstanding events of the year were the visit to Broken Hill at Easter, the north-eastern amateur championship meeting in August, the golf ball on September 7, the monthly medal competitions established this year, the club handicap trophies, the men's won by Mr. E. Bills with Mr. Luck second, and the women's by Mrs. Brown with Miss Hill second; and the club men's championship won by Mr. E. Bills, who thus gained the honor of being the first to have his name inscribed on the championship shield presented by Mr. L. J. Bills.

News
Saturday 30 October 1926

On Saturday last there was a record crowd at the local links—there is no doubt that this popular game is going to boom this season. So crowded were the links that the committee will have to very seriously consider the question of transforming the course into an 18-hole one. Many players can only get out on Saturday afternoon and, when the links are so crowded, the game loses its charm.

The Times and Northern Advertiser
Friday 27 May 1927

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

By the end of June the plan for the 18 hole course was settled and construction work was soon under way.

The Times and Northern Advertiser – Friday 24 June 1927

The plan for the 18-hole course is now practically settled, and the new holes have been drawn as follows: The Mayor, No 12: professional, No 11: Bills Bros, No 13: secretaries, No 5: committee, No 6: railway, No 15: bankers, No 18: ladies Nos 7 and 8. It is hoped that the various friends who have undertaken the responsibility of these holes will at once get busy, or employ labour and get these holes and fairways ready. Some of the new holes promise to be record breakers or heart breakers, and when complete the links will be capable of providing ample accommodation for a greatly increased membership.

Members worked tirelessly to complete the new holes at the course and great progress had been made in a few weeks.

Members were invited to help contribute to the financial costs of those who were in charge of erecting the new holes.

The new 18-hole golf course was opened on Saturday 23rd July. A large crowd gathered to witness the Mayor Mr Edward Hoile declare the links open. He congratulated the golfing fraternity for their progressive spirit in enlarging their course and commented that Peterborough was one of very few courses that could boast of an 18-hole course outside the city. The course commenced on the original first and the first half finished on the old ninth, with the old 5th now the new 14th, the 6th the 16th, the 7th the 17th and the 8th now the 10th.

Great progress has been made with the new greens, and the "black stuff" has come to hand, so that our dreams of 18 holes will soon be realized. The opening day has been fixed for July 23, and with much to be done in the way of preparation, every member is invited to do their utmost to assist in making the fairways, etc., ready. The method of each committeeman taking charge of one of the present nine greens has been taken up enthusiastically, and we can promise that ere long the present greens will be very much improved. The flags kindly made by Mr. and Mrs. Hunt are a very welcome addition to the greens, and we hope that they will carry on the good work until every hole has its flag. Lady members are asked to wear suitable shoes, as the sharp-heeled variety spell ruin to our fairways and greens on a wet day. Only rubber shoes are permitted on proper golf courses, and whilst we would like to see rubber adopted by all, we must at least bar sharp heels. Verbsap.

It has been decided to charge 2/- per round for all non-members. Some of the public appear to regard the Golf Links as a public recreation ground, but this is not the case, and casuals and visitors must see the secretary before they play on the links at all. This rule will be strictly enforced in future.

*The Times and Northern Advertiser
Friday 8 July 1927*

At a meeting of the Management Committee recently, it was decided to carry out the previous arrangement of paying for the new holes. Various members have charge of the holes and they are invited to make their donations as promptly and liberally as possible. The ladies are still working to pay their donation of £10 towards the cost of two new greens. The other list was as follows—Mayor, Professional, Bankers, Railway, Committee, Secretaries, Bills Bros. Will all members identify themselves with one of these sections and donate accordingly?

*The Times and Northern Advertiser
Friday 5 August 1927*

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

The Times and Northern Advertiser – Friday 29th July 1927

Golf Gossip – Opening of 18 Hole Course – AN UNQUALIFIED SUCCESS

It may not be out of place to give some idea of the lay-out of the new course, so that those familiar with the old, nine holes will be able to mentally do the 18 holes. The course commences on the original first and the first half finishes on the old ninth. Players can then readily visit the clubhouse and partake of afternoon tea and fortified, start out afresh and do the next nine holes, which also finish quite handy to the clubhouse.

In laying out the new course the committee endeavoured to leave the original holes intact and, with the exception of the eighth (which is now the tenth) were successful in doing so. Numbers 1, 2, 3 and 4 are the same original holes; No. 5 is the "gem of the east," being a short hole lying in the pines, between the old fifth tee and the creek. It is a mashie shot, quite simple if landed on the green, but crowded with trouble for anyone who cannot get his ball up. No. 6 is played from behind the old fifth tee (down towards the second green), and a hungry creek has to be carried on the first drive or troubles will never end. No. 7 is a "bottleneck," played straight up towards the Round Hill and again the creek and the pines present trouble for those who cannot drive straight. No. 8 is played high up from Round Hill down towards No. 2 tee. So far has not much trouble, but bunkers will be placed there before long. No. 9 is the same green as before but is played much farther back and is the longest hole on the course. Bogey out will read—5, 5, 4, 5, 3, 4, 4, 4, 5 - 39, and a cup of tea will prove very acceptable to all when they have struggled to beat the colonel going out.

The tenth hole is the original eighth and the tee is now placed at the back of the ninth green. The eleventh is played from the side of the hill back over the bunker which was made for the first drive on the eighth; the rough is literally covered with stones, so that if your drive is a mistake the rest of the journey is a very rocky one. The twelfth is a dogleg, the tee being quite near the seventh green, and the green is on top of the range where the road runs over. The seventh fairway has been reduced in width, and the seventh and twelfth are side by side and yet not in any way at all conflicting. The thirteenth is an inspiration—placed right on top of Round Hill—and has involved a great deal of preparation. From it one can see almost every hole on the course. Peterborough is spread down below in charming panorama. This hole is a mashie niblick shot, quite simple and yet infinitely troublesome if the shot does not reach its goal. The fourteenth is the old fifth, with a new tee, played straight over the pines from the hill instead of from the old fifth tee. The fifteenth is a new hole, played down towards the rifle range whilst the sixteenth is the old sixth made 100 yards or so longer. The seventeenth is the old seventh, whilst the eighteenth is played from up the hill against the right-hand boundary fence, down towards the clubhouse and the ninth. Bogey for the second nine is 5, 4, 5, 3, 3, 4, 5, 5, 5 - 39

The course is not nearly as long as a championship one, but has a number of fairly long holes: a majority of medium length and several very nice short holes. Of course, there are many things yet to be done—fairways to be thoroughly 'cleared, bunkers to be built, greens to be levelled—but, considering all things, the progress made has been very gratifying.

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

The North-Eastern Golf Championships were held on Saturday 10th and Sunday 11th September, 1927. A record number of entries were received and perfect spring weather greeted the competitors.

The North-Eastern Golf Championship Gala Day on Peterborough Links.

MR. F. J. MCGUINNESS AGAIN WINS THE PRINCIPAL EVENT.

BROKEN HILL CARRIES OFF THE TEAMS CHAMPIONSHIP.

Perfect spring weather greeted the biggest day Peterborough's golfing fraternity have ever been privileged to witness, when the North-Eastern Golf Championships took place on the local links on Saturday. There was a record crowd, over 200 people being present. Record nominations were received and the links presented a very animated scene, both in the morning and afternoon. The catering was in the capable hands of the Peterborough ladies, who provided an excellent morning tea, light lunch and afternoon tea. The Country Champion (Mr F. J. McGuinness) who was playing with Mr Martin (Jamestown) was the "star" of the day, and attracted a very large "gallery" on the second nine holes. After the 18 hole handicap in the morning, a Driv-

ing Competition was held—this being won by McGuinness with a beautiful long shot straight for the green, about 305 yards. Bills Bros. had generously donated a handsome silver cup for the champion teams match (36 holes) to be held by the winning team for the year. Broken Hill team, with 693, are to hold this cup for 12 months. The morning handicap was won by B. Heron (Jamestown) after tying with L. A. Johnson (Peterborough).

After the competitions, the Patron of the Club (E. Hoile, Esq.) presented the various trophies. Mr. Hastings (Saddleworth) moved, on behalf of visiting players, a hearty vote of thanks to the local secretary for his excellent arrangements for the enjoyment and comfort of the visitors. Mr W. H. Brown suitably replied and was given three hearty cheers.

On the Peterborough Links.

While the Broken Hill visitors and some local golfers were playing on the Peterborough links on Monday afternoon, Mr. W. L. Robertson, of Broken Hill, established a record for the new 18 hole course. His card read as follows:—No. 1, bogey 5, score 5; 2, 5, 5; 3, 4, 4; 4, 5, 4; 5, 3, 3; 6, 4, 5; 7, 4, 2; 8, 4, 4; 9, 5, 5; 10, 5, 5; 11, 4, 3; 12, 4, 3; 13, 3, 3; 14, 3, 3; 15, 4, 4; 16, 5, 4; 17, 4, 4; 18, 4, 5; total bogey 75; total score 71. This included two penalties, as at the last hole he drove a ball out of bounds, losing stroke and distance, and then did the hole in 5.

*The Times and Northern Advertiser
Friday 16 September 1927*

Mr WL Robertson set a new record for the 18-hole course on Monday 12th September with a score of 71.

Walter Bills won the 36-hole club championship defeating James Clair 4 up with 2 to play.

Bills Wins at Peterborough

During the week Peterborough Golf Club championship was decided, the eight to qualify being drawn as follows:—J. W. Clair v. George Johnston. L. J. Bills v. J. Bennett. W. M. Bills v. W. H. Brown. E. D. Sawers v. S. A. Jamieson. Eighteen holes' match play was the order of the day, and the first round resulted as follows:—J. W. Clair defeated G. Johnston 1 up. L. J. Bills defeated J. Bennett 5 and 4. W. H. Brown defeated W. M. Bills 6 and 5. S. A. Jamieson defeated E. D. Sawers 5 and 4.

In the semi-finals W. H. Brown was 3 up and 3 to play against J. W. Clair, but the latter, playing strongly, won the match on the nineteenth hole. S. A. Jamieson caused L. J. Bills some anxious moments, and, playing very solidly, was only defeated coming down the hill, losing the last two holes and the match 2 down.

The final consisted of 36 holes, and was played between Bills and Clair. Eighteen holes were played last week, and so even was the struggle that the score was all square. The final 18 were played this week. Bills won the championship 4 up and 2 to play. He will be presented with the championship shield on Tuesday night.

*The Times and Northern Advertiser
Friday 23 September 1927*

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

1928

The 1928 Golf season opened on Saturday 14th April. Mr A. E. Rowe was elected president, Mr W. M. Bills secretary, Mr L. J. Bills captain and Mrs S. A. Jamieson ladies secretary. The greens had been treated and it was hoped that they would be much better that year. The course was in was fair condition although the much needed rain that was hoped for had not eventuate. Bunkers were springing up around the course. Yongala and Terowie had both established golf clubs and matches were organised against both teams.

There had been complaints about players playing into the group ahead of them. The advise given by the author of the weekly 'Golf Gossip' in the Times was to warn them and if not heeded then knock their ball as far away as you can. 'Plus fours' were all the go on the golf course and many of the members had started to wear them.

The course was dry and the club were looking for a nice rain before the forthcoming championships in September. The championship was won by Lewis Bills with a score of 82, 84 a total of 166.

1929

Opening day at the Golf Club was Saturday 13th April and was attended by a large gathering of townspeople. Dr Schafer was president, W. H. Brown vice president, W. M. Bills secretary and Mr E. Sawers captain. Ladies captain was Mrs Brown and vice Mrs G. Johnston. The Mayor Mr S. D. Jones drove off the first ball which was mounted with a prepared plate and presented to His Worship as a memento of the occasion. A mixed foursomes followed. The links were in fair order but a good rain was needed.

The following officers were elected:—
Mr. S. D. Jones (Mayor of Peterborough), patron; Mr. A. E. Rowe, president; Dr. S. B. Forgan, vice-president; Messrs. L. J. Bills, captain; L. A. H. Johnston, vice-captain; W. M. Bills, secretary; H. Baker, social secretary; A. E. Rowe, L. J. Bills, L. A. H. Johnston, W. M. Bills, H. Baker, H. C. Luck, S. A. Jamieson, J. Reid, and H. W. Sambell, management committee.

Complaints still come to hand re players playing into the party ahead of them. If you are worried by the pair behind you persisting in this dangerous practice gently warn them. If this proves ineffective, knock the offending ball as far as you possibly can over the next hill!

NORTH-EASTERN CHAMPIONSHIP.

WON BY L. J. BILLS.

Peterborough, September 2.
The annual competitions in connection with the North-Eastern golf division were held at Peterborough yesterday. They attracted record entries. Teams came from Quorn, Ororoo, Wilmington, Yongala, Port Broughton, Jamestown, and Saddleworth. There were more than 40 competitors from the Peterborough club. Owing to the dry August, the links were on the hard side, and a strong north-westerly wind caused trouble to many players. The president (Mr. A. E. Rowe) and the social secretary (Mr. H. W. Baker) assisted the secretary (Mr. W. M. Bills) with the arrangements.

The North-Eastern championship attracted keen interest, and at the end of 18 holes L. J. and E. Bills and R. Eley were all 82. Harbison 87 and E. D. Sawers 87 were next in order. Conditions after lunch were more difficult, and going out E. Bills 50, Eley 48. Harbison 44, and L. J. Bills 42, made the position of the local captain fairly secure. Coming home, L. J. Bills made his position safe by keeping 1 under bogey up to the 16th hole. He finished badly with 6, 7, and 7, making a total of 166. His previous even scoring gave him a comfortable win over his brother, who finished second four strokes away with 170. L. J. and E. J. Bills have been playing consistently during the season, and their success was popular. Eley and Harbison finished with 172 each. A. Nitschke 175 and J. Hatter 176 were next.

100 YEAR HISTORY WALK - NEW 18 HOLE GOLF COURSE

Our New Club House

Following the very favorable comments on the attractiveness of the Peterborough Golf Club House made by so many "old" members and visitors seeing it for the first time we feel sure the following short history of the progress of the Club as reflected by the Club Houses used and erected, will be interesting to many.

1922—First Club House erected by busy bee. It was a room about 10 feet by 12 feet and had a flap on the eastern side which was let down on Club Days and used as a table.

1926—An office used by Duplex Builders on that block next to Mr. Eddie Travers' home was

purchased and taken in one piece to the links. This became the afternoon tea room. The late Mr. Fred Moten was then Secretary.

1930—Another busy bee of members erected the tea room (as most of the members remember it last season) on the southern end of the above room and the first Club House became the lean-to kitchen. The late Mr. H. C. Luck and Mr. V. H. Wills were leading lights in this construction. Mr. W. Bills was Secretary.

1946—The Club was growing quickly and keen enthusiasm by members and associates prompted the Committee to purchase a building which was brought to the

links and, after the removal of the old kitchen, this became our present kitchen and ladies' wash room.

1948—A band of nine members, Messrs Jack Kelly (foreman in charge), C. J. Cunningham (Minister of supply), E. O von Bertouch, H. Budge, J. D. Keith, D. C. Hoile, E. Harding, Dr. A. M. Myers and the late Mr. F. D. Moten gave all their summer leisure and many nights of hard work to bring the Club House to its present state of perfection, of which everyone is justly proud and which has been described as one of the best Club Houses outside the metropolitan area.
